## Description

### *2016 Prestige 620 "LA PEQUE"*

By Garroni Design, the PRESTIGE 620 can be recognized by her well-balanced exterior design with bold, clean lines and by the elegance of her bright interior layout.

Generous living spaces include the immense saloon, three cabins with private head and shower compartments, including a centre-line owner's cabin, and the flybridge, for absolute comfort on board.

By choosing high-tech design solutions, including the Michael Peters' hull design, which was constructed by infusion, and the selection of an IPS 950 pod transmission, the PRESTIGE 620 is currently positioned at the cutting edge of technology.

Luxurious interior furnishings reveal a selection of materials, color harmonies and a level of equipment normally reserved for large cruising yachts.
