Description

The Marquis 660 Sport Yacht is a true masterpiece of on-water performance and live-aboard comfort, with the distinctive lines, beautifully designed interior spaces and unique hull form that define the Marquis experience.

This three-stateroom yacht boasts beautifully appointed master, VIP, and guest accommodations. Its stunning open salon shines with warm woods, lustrous satin finish, expert joinerwork, and premium materials.

ANDIAMO also boasts a self contained 2 bed crew quarters.

Natural light pours through large windows, and sliding doors lead to an elegant cockpit and, via descending twin staircases, to a gracious swim platform.

The fully equipped galley lies just steps away, and an integrated lower helm station provides additional cruising convenience.

Aboard the 660, owners will find much more than world-class fit and finish, however. Perfectly matched twin diesel engines and joystick-activated pod drives, coupled with the 660's sleek hull design, ensure unmatched performance. And the views from the flybridge, whether you're at the helm or relaxing with refreshments in a luxurious lounge seat, are nothing short of awe-inspiring.

The definition of a masterpiece: a work of outstanding artistry, skill, or workmanship. And the 660 Sport Yacht hits the mark on every level

There was no other 660 SY built with more upgrades/options than ANDIAMO.

Marquis 660 SY

Marquis Yachts unveiled the exciting 660 SPORT YACHT to the international market back in 2015. This breathtaking sport yacht carries the distinctive profile and integrated interior layout that makes Marquis Sport Yachts a symbol of prestige throughout the world.

Every detail within the MARQUIS 660 SPORT YACHT demonstrates ultra-premium execution quality. The craftsmanship & joinery are the finest you will find in a yacht, regardless of size. The materials selected to craft the interior and exterior features are supreme. The hull form has been designed specifically for the MARQUIS 660 SPORT YACHT.

Performance is provided by perfectly matched twin 900 Hp Volvo IPS Diesel engines coupled to joystick activated pod drives. Easy to maneuver, this flybridge yacht can comfortably and fuel-efficiently cruise at 26 knots, with top speeds exceeding 30 knots
