Manufacturer Provided Description

Get to know the latest model from the Greenline family: Greenline 45, offering a fresh perspective to yachting with an elegant design and extremely comfortable interior. It features a full-beam midship owner cabin with the VIP guest cabin in the bow, both with their private bathrooms and walk-in wardrobes.

Introducing an exciting new member to Greenline Yachts

At Greenline Yachts we are expanding our fleet by a new member, the Greenline 45 Fly.

Lead by our recently appointed Head of Product Development Luka Modrijan, her exterior design features and naval architecture was penned by the world-renowned, multi-award winning design studio J&J Design. The interior has been crafted by Marco Casali – Too Design, highly respected Italian designer known for projects in the superyacht sector.
